Reg: Black Listed supplier

An instance has come into notice where a loan application was accepted by a branch office in which the plant supplier proposed was black listed by the corporation. If the promoter is asked to change the supplier while considering such a case in PCC/IPC or at appraisal stage, it puts the corporation in an embarrassing position as the promoter(s) might have placed order with said black listed supplier by that time.

It has therefore been decided that the branches, while accepting the loan application, should prima facie see/ensure that the supplier(s) proposed is/are not black listed by the corporation and such application should not be accepted unless the promoter agrees to change the supplier.

All concerned are advised to take a note of above, for strict compliance.

**Sub: Reimbursement of charges to SSI units for acquiring ISO 9000 certification-
enlargement of the scope of the scheme to cover reimbursement of charges to SSI
units for acquiring ISO 14001 certification**

Sir,

Govt.of India in Ministry of small scale industries (Office of Development Commissioner (SSI) have been implementing a plan scheme, under which 75% of the expenses incurred by SSI units in acquiring quality management system – ISO 9000 certification are reimbursed restricted to Rs.75,000. The scheme was launched during 1994 and has been extended upto the end of X plan (i.e. upto 31.3.2007).

2. In the global market, compliance of environment management system (EMS) viz. ISO 14001 certification is increasingly becoming mandatory. Therefore, new initiatives are required to persuade the SSI units in acquiring ISO 14001 certification also. Govt. of India have accordingly decided to enlarge the scope of the existing scheme of reimbursement expenses incurred for acquiring ISO 9000 certification, to cover the reimbursement of expenses incurred for acquiring the ISO 14001 certification also. The existing scheme will therefore be modified as under from the date of issue of the letter.

- i. The modified scheme shall be named as Incentive Scheme of Reimbursement of expenses for acquiring quality management system (QMS) ISO-9000 certification/ environment management (EMS) ISO-14001 certification.
- ii. The scheme shall provide one time reimbursement of 75% of the admissible expenses incurred for acquiring ISO-9000 /ISO-14001 certification, limited to Rs.75,000 to a SSI unit. In case a unit has already claimed maximum subsidy of Rs.75,000/- for acquiring ISO-9000 certification from Central Govt/State Govt./ Financial Institution, it shall not be eligible for further subsidy for acquiring ISO 14001 certification. On the other hand, if a unit has claimed subsidy less than Rs.75,000/- for acquiring ISO 9000 certification, it would be eligible to claim

- subsidy for acquiring ISO 14001 certification equal to the difference between Rs.75,000/- and the subsidy already claimed.
- iii. The other norms and guidelines used for claiming reimbursement of expenses for acquiring ISO 9000 certification will remain unchanged.
- iv. The awareness cum training programmes being organised by office of DC (SSI) through SISIs/RTCs for acquiring ISO 9000 certification shall also cover ISO 14001 certification also.

The application form and its enclosures (affidavit, undertaking and other documents etc) have been revised and are attached herewith. The applications for reimbursement both for ISO 9000 and 14001 received in this office after 15th Nov,2002 must comply with the revised application format.

This issues with the concurrence of IF Wing vide Diary no.1651/Fin.I/02 dt.28.10.2002.

Reg: Gestation/Moratorium period

Attention is invited to O&M circular no.177 dt.21.1.1989 vide which detailed guidelines were issued for gestation/moratorium period for ARS and NRS cases. The concept of ARS and NRS system has been dispensed with by SIDBI and LOC system is being following for all type of loan cases. However, the field offices have not been following the uniform policy for allowing gestation/moratorium period while sanctioning the loan cases at their level. It is therefore further clarified to follow the following guidelines while allowing gestation/moratorium period at the time of sanction of loan cases:

1. In the loan cases of sanction amount upto Rs.10.00 lacs, moratorium period of one year to one and half years will continue to be allowed including the period of implementation. The moratorium period will be counted from the date of first disbursement of loan in such cases.
2. In the loan cases of sanction amount above Rs.10.00 lacs, the moratorium period is to be considered with effect from the expected date of commercial production as per the implementation schedule set by the corporation during the course of appraisal. The moratorium period in such cases is to be kept from one year to two years from the expected date of start of commercial production depending upon analysis of the projected cash accruals. In case the moratorium period is proposed to be increased and kept at beyond two years in any specific case approval for the same will be specifically sought from the appropriate sanctioning authority.

However the gestation/moratorium period wherever specified in different schemes like Hospital and Nursing Home scheme, Hotel and tourism related scheme, Assets Financing scheme, Transport Loan scheme, Financing against Assets Scheme etc shall be followed accordingly.

All concerned are advised to take action accordingly.

Reg: Extension of Validity of Sanction.

Attention is invited to PG Circular No.978 dt. 7.8.02 on the captioned subject. As per the provisions of the stated circular the sanction shall remain valid for a period of six months and if the loan documents are not executed within a period of six months from the date of communication of sanction, the sanction would also lapse automatically. However, this sanction can be revalidated in the circumstances so warrant by the delegated authority upto 24 months and even beyond 24 months from the date of sanction by depositing specified processing charges. It has however, been observed that due to significant delay in implementation of the project changes in cost of project are inevitable. Therefore, it has been decided that if the project has been delayed the more than 12 months, it needs to be looked into afresh so as to take care of the time and cost over tun. In all such cases, where delay for more than 12 months has taken place, the concerned Branch should

forward all those cases to HO along with the causes of delay, revised project report and concrete recommendations giving revised implementation schedule without any fresh loan application fee. However, prior to forwarding such cases the Branch shall ensure that the party has deposited the processing charges @ 1% of the sanctioned loan alongwith any additional processing charges specified in PG Circular No.978 dt.7.8.02.

PMEC may look into such matters and prepare check list and after looking into such cases in detail, the proposal shall be forwarded to Loans section for obtaining approval from the competent authority.

It has also been decided that full cancelled loan may not be revised henceforth before the project is revised.

Reg: Stipulating condition for furnishing of information to Credit Information Bureau (India) Limited (CIBIL).

The Board of directors in its meeting held on 17.5.04 has decided for furnishing information related to borrower to CIBIL. A circular no.RFC/23 FR/HO/67/569 dt.31.5.04 has also been issued with regard to furnishing of information to credit information bureau (India) Limited.

The PC&CC has felt that it would be appropriate to stipulate a condition while sanctioning of the loans to the borrowers to the effect that the corporation shall be free to disclose the name of the borrower and its credit information to the Credit Information Bureau (India) Limited in case default is made in repayment of the corporation dues. It has therefore been decided that the following condition may be stipulated in all loan cases while sanctioning term loan to the borrowers:

“The company/concern shall submit its consent to the corporation that during the currency of loan, the corporation may obtain/provide any credit information related to it from/to the Credit Information Bureau of India Limited”

Sub: Recovery of rebate for timely payment and reduction in interest rate allowed if any by the High Power Committee in case of switch over of loan from RFC to other FIs/Banks

The Corporation has been sacrificing a part of its earnings by way of rebate for timely payment and also in few selected cases the High Power Committee provides reduction in the prevailing rate of interest on the merit of the case so as to facilitate the quality borrowers and for improving the loan portfolio.

It has however been observed that some of our established customers switch over their loan accounts to other FIs/Banks after availing the aforesaid rebates from the corporation. The matter was discussed in PC&CC in its meeting held on 6.10.04 and it has been decided that to curb switching over loan accounts to other FIs/banks, a specific condition may be stipulated while sanction of loan that whatever rebate for timely payment was allowed and the reduction in interest rate allowed, if any, by the High Power Committee in any case shall be recovered back since inception at the time of switch over of the loan account from RFC besides prepayment premium as per norms.

Accordingly in all loan cases to be sanctioned henceforth, following condition shall be stipulated:

“In case of switch over of loan account from the corporation by the borrower, whatever rebate for timely payment was availed shall be recovered back alongwith reduction in rate of interest allowed if any by the High Power Committee since inception besides the prepayment premium, as per norms”.

All concerned are advised to take note of above and ensure compliance with immediate effect.

The matter was reconsidered by PC&CC in its meeting held on 31.5.2005 and the committee has partially modified the earlier decision to the effect that whenever it is found that prepayment does not result into switch over and the account is being squared up by the borrower out of its own funds meaning thereby that the payment is not being received directly from other FIs/Banks, the rebate for timely payment allowed, if any, may not be recovered. However, a condition as mentioned in O&M circular no.618 dt.20.10.04 shall continue to be stipulated in future sanctions.
